INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicant hereby submits an Information Disclosure Statement in accordance with 37 C.F.R. §§ 1.56, 1.97 and 1.98, for the above-identified application and Form PTO-1449 listing seven (7) United States patents nine (9) patent application publications and sixteen (16) articles. Copies of the patents, patent application publications and articles are also enclosed.

Applicant further submits that none of the enclosed patents or patent application publications render the claims of the application unpatentable; however, the patents are provided for the Examiner's consideration.

In particular, the current invention differs from all of the disclosed references in that none of the retrieved references disclose the identical combination of elements encompassed within the invention.

Applicant makes no representation that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is expected that the Patent and Trademark Office will conduct an independent search for relevant references.

Respectfully submitted,

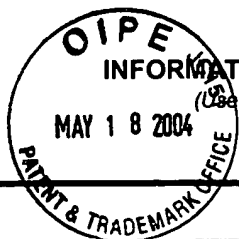

SIROTE & PERMUTT, P.C.
